

## **Shop At Bi-Lo And Help Support The Midland Valley High Agriculture Program**

Do you buy groceries? Do you ever have to stop by on the way home to get something quick for dinner? Well since you've probably done both, make sure your next trip is to Bi-Lo! By using your Bi-Lo bonus card along with the Midland Valley High FFA boosters plus card you can be helping the agriculture program while feeding your family. All you need to do is email Mr. Brooks at [jbrooks@aiken.k12.sc.us](mailto:jbrooks@aiken.k12.sc.us) requesting your Midland Valley High FFA Booster Plus Card and take it to Bi-Lo on your next trip. Have the cashier scan the booster plus card and your Bi-Lo Bonus Card during your purchase. After that, your Bi-Lo card and the Midland Valley High FFA Booster Plus card will be linked together. Each time you scan your Bi-Lo card during a purchase, Bi-Lo will give our agriculture program 1% of your total. So from now until May 31 of next year, shop at Bi-Lo and help support the Midland Valley High FFA Association.

Please email ([jbrooks@aiken.k12.sc.us](mailto:jbrooks@aiken.k12.sc.us)) , call the agricultural education office (803-593-7142), or send your student by to get your Midland Valley High FFA Association Bi-Lo Booster Plus Card today and start supporting the largest students organization in the United States.

Thanks!
